**III. Apportionment of Fault as to N.Y. G.B.L. Claims**

During this case you heard evidence about a 2005 auction conducted by Zachys, in which Mr. Greenberg was the consigner. Zachys was once a defendant in this case, but is no longer a part of this case. Nevertheless, you must still consider whether Zachys was responsible for some portion, if any, of the damages you have awarded in Section II (the N.Y. G.B.L. claims). If you find that Zachys, as well as Mr. Greenberg, was responsible for Mr. Koch's monetary damages, then you must decide the percentage of total fault that each bears for violation of N.Y. G.B.L. § 349 and/or § 350. In doing so, you should weigh the conduct of Mr. Greenberg and Zachys and consider all the circumstances based on the evidence at trial.

**A. N.Y. G.B.L. § 349**

If you found in II.A. that Mr. Greenberg engaged in materially deceptive business practices, indicate below the percentage of total fault that each of Mr. Greenberg and Zachys bears for the violation:

Mr. Greenberg's Percentage Fault: 100 %

Zachys' Percentage Fault: \_\_\_\_\_ %

The total of these two entries must equal 100%.

**B. N.Y. G.B.L. § 350**

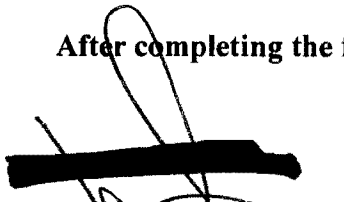

If you found in II.B. that Mr. Greenberg engaged in false advertising, indicate below the percentage of total fault that each of Mr. Greenberg and Zachys bears for the violation.

Mr. Greenberg's Percentage Fault: 75 %

Zachys' Percentage Fault: 25 %

The total of these two entries must equal 100%.

After completing the form, each juror who agrees with this verdict must sign below:
